CRYSTAL LAKE SCOUT RESERVATION STAFF FELLOWSHIP APPLICATION

Name _____ Position Applied for/Accepted _____

Address _____ City _____ State _____ Zip _____

Phone (____)-____-____ Email _____

The Team Ready Foundation is a non-profit organization dedicated to service in our communities. Its members would like to recognize the hard work and dedication it takes to be a leader in Scouting at the Crystal Lake Scout Reservation. We understand the challenges of working at camp while trying to earn enough money during the summer to cover expenses associated with post-secondary education. Many members of Team Ready are Eagle Scouts and past staff members of the camps and hope this fellowship helps to provide continuous, quality leadership to the camps for generations to come through financial assistance to those leaders struggling to afford to return to camp year after year.

Eligibility requirements include submitting this application; enrollment in a post-secondary program to include undergraduate or post-graduate education, military service or training, vocational or technical college, or an apprenticeship program; must have demonstrated consistent leadership qualities on staff at least one summer prior to applying for the fellowship; and must complete the summer in good standing with the camp leadership. Leadership qualities will be determined through staff, scout, and leader evaluations, as well as additional personal accounts of actions on camp staff. Applicants will be notified of award status prior to the start of camp training sessions and the fellowship awards will be presented upon the successful completion of staff duties at the end of summer.

It is possible that all, none, or only some of the applicants will meet the standards established by this committee, meaning there is no guarantee of an award. Funding comes primarily from camp staff alumni and friends of camp donations, so there is no established dollar amount that is available for distribution. Please provide thoughtful, typewritten, and in-depth answers to the following questions so the selection committee can best determine the fellowship recipients.

Thank you to all for the continued dedication to Scouting and the Crystal Lake Scout Reservation!

Sincerely,
The Team Ready Fellowship Selection Committee
