Fall 2008

In year 7 of our annual **BREWER GAME**, Team Ready tried to further express our appreciation for our volunteers by picking up the food tab for the pre-game tailgate party. And the Brewers were nice enough to reward the crowd with a dominating victory, highlighted by the man himself on Ryan Braun Bobblehead Day.

Our 4th annual charity **SOFTBALL TOURNAMENT** was sponsored for the benefit of the Safe Kids - Wausau Area. The Safe Kids programs provide training and income-based safety equipment in areas like child car seats, life jackets, bike helmets and smoke detectors. With continued great support from donors participants, spectators and volunteers, over \$3000 in proceeds is being shared to support youth based programs throughout our communities again this year. Let us know if you've got a similar beneficiary for next year and would like to get involved in the planning.

Charity Softball Tournament Check Presentation

For all 7 years of the **SCHULTZ GOLF MEMORIAL**, Team Ready members have been eager participants of this event, and been a proud hole sponsor for the last three. As this annual tournament has come to a close, since they have raised enough money to provide scholarships from the interest on this fund, we will be looking for a new event to support in place of this traditional community activity.

A 3rd straight year of joining forces with the Wausau East intramural **FOOTBALL & FOOD DRIVE** resulted in increased community contributions. Nearly 500 non-perishable food items were collected for the Neighbor's Place food party by the dozen teams and over 100 players that participated this year. Team Ready bought and served the lunch beforehand, door prizes were handed out to those supporting the food drive and even a few of the old guys joined the kids for some action on the field.

Mission Statement: To provide physical and financial assistance to local charitable organizations, while providing fun and rewarding experiences for our members and friends.

Inaugural Team Ready Family Camping Weekend

The first, of what we hope will be many, **FAMILY CAMPOUT** was held this past Labor Day Weekend at Tomorrow Wood Campground. It was just a relaxing weekend to celebrate the end of a nice summer - sharing in some good meals, spending time at the lake, letting the kids run around the playground, and hanging around the campfire (plus squeezed in a victory in the title clinching game of the softball league).

Keeping up the decade long tradition of the boys getting together for a relaxing weekend in the fall continued in 2008. This year's **GUYS WEEKEND** returned to Point Beach State Park to enjoy some more camping, and nearby salmon fishing. Along with working in the traditional Packer game party, this year also include some Badger game action and the first Brewer playoff victory in over 25 years.

Mark your calendars now for this year's **WINTER BANQUET** - Saturday Evening - January 24, 2009 - again at the Anderson home in Stevens Point.

This annual celebration is a chance to share some time together around the holidays, while presenting many deserved recognitions and taking care of some necessary charity business. The foundation will again supply the main dish, with members encouraged to bring some snacks to share throughout the evening. We would also like to keep the tradition alive of collecting items for the Operation Bootstrap food pantry. Any event pictures and/or song recommendations for the "look back on the year" slide show are welcomed.
